

APG School

2017-2018

We are Together!

Guidance & Counseling

The Department of Counseling and Special Education is pleased to welcome your ward _____ of Grade _____ to our school and wishes you and your family good health and happiness for the school year 2017-2018.

An Overview of our Main Objectives for the Guidance & Counseling Departments:

- Helping all new students to get accustomed to the school environment.
- Orienting the new students and their parents with school policies, rules and regulations.
- Strengthening the relationship between home and school and various other community institutions.

For Parents:

You can communicate with our Department by:

- The School Corresponding Book which has been provided to all students.
- Emails (Email Ids' are available in our school website : www.apgschool.com).
- School Phone number: 17403666 – 17402394
- Soon we shall introduce a new online application .

We ask for your cooperation to kindly respond in writing to the questions given below. All responses provided by you shall be considered confidential information.
